

## Grading Instructions for Written Examinations: First Reader

Please use this sheet to report your evaluation of one essay. Choose one of the grades from the drop-down menu below. Fractional grades will be rounded down.

Do not write anything on the student's essay. Please add brief comments below, terse, but specific enough to facilitate resolution of doubtful cases. Keep in mind that comments are of critical importance in the oral exam and in counseling a first failure.

Grade	Question #	Grader
-------	------------	--------

Student's Identification Code
